SOFAS

Patricia Urquiola

Description

A family of seating featuring a maxi-interlacing of polyethylene fibre ribbon in white or bronze. There are many typologies: circular and linear sofas, armchairs, chairs, chaise longue and service elements that have exclusive fabric covers in the variations of plain colour, mélange and multi-coloured design. All these very comfortable seating have frames in aluminium with weather resistant polyester powder painting. They are available in the colours white or bronze, with interlacing in polyethylene fibre in the same colour as the frames. The circular seat can also be fitted with a light foldable canopy that reduces the passage of sunlight by up to 92%. The seat can also have a swivel base that rotates 360°.
