KASTHALL

Classic Damask – Granite 5005

PRODUCT SPECIFICATIONS

Classic is, just as its name implies, a true classic. It has been crafted using a long-fibre, wool yarn with a fine lustre and sheen that is used in many of Kasthall's rugs. Kasthall's head designer, Gunilla Lagerhem Ullberg, has carefully selected a range of 17 fantastic colour combinations with a shimmering look, in single and variegated shades, mixing classic natural colours with vibrant, contemporary hues. Thanks to the high quality of the wool yarn and the closeness of the stitching Classic fits in equally well in the home as in busy public settings and larger projects. Classic is available in five different versions/patterns, providing rugs with a choice of pile depths, borders and relief effects.

CARE ADVICE HAND TUFTED RUGS

To further extend the lifetime of your rug, Kasthall recommends a regular maintenance so that the rug may retain its shape and appearance. If you have a light, single-colour rug you will need to care for it more often than a darker, patterned rug. Thorough vacuum cleaning is the best, most economical and environmentally friendly cleaning method. Beating or shaking a rug may damage the fibers. Note that it is quite normal for the rug to lose individual fibers when used, these are excess fibres and it does not affect the general quality of the rug. If you want to get rid of excess fibres faster, you can vacuum the rug daily for an initial period. It is most efficient to vacuum the rug one direction at a time. Please note that our hand tufted rugs made in linen are sensitive to water. There is a risk that the yarn becomes untwisted and slightly stiff when the rug dries, so be careful with the amount of water/liquid used when removing stains.

CLEANING ADVICE

Kasthall recommends professional cleaning of all our rugs. All rugs should be washed flat using water (not machine washed or dry-cleaned) and then dried flat. It is very important to provide good ventilation during the drying process. Shrinkage of around 3-5% may be expected. For our hand tufted long-pile rugs made in 100% linen, see separate care advise. At www.kasthall.com you can read more about our materials, how to look after your rug and our stain guide.

CHOOSING A RUG

Choose the characteristics of the rug, its colour and design to suit the space in which it will be laid. If it is to be laid in a hall, for example, you may choose a type of rug that is more resistant to wear, and a colour that is a little darker and dirt-tolerant. Use a rug as a means of bringing together the rest of the interior. Decide whether you want to place a sofa on the rug or at its edge. If a rug is to be placed underneath a dining table, add at least 60 cm all round the table to allow space for pulling out the chairs.

Hand tufted rugs are suitable for creating cosy environments with warm acoustics. Depending on the quality, hand tufted rugs can work equally well in domestic settings and public spaces. Ideal for use in living rooms, bedrooms and in lounge environments and hotel rooms.

Examples of commonly used rug sizes:

1. Dining table with 6 chairs: rug size 200 x 300 cm
2. Dining table with 6 chairs: rug size 250 x 350 cm
3. Three-seat sofa with armchairs: rug size 170 x 240 cm
4. Three-seat sofa with armchairs: rug size 200 x 300 cm
