**MATERIAL OPTIONS****392LV CONISTON LARGE RECTANGULAR MIRROR**

Coniston mirror is named after Coniston Water in England's Lake District, the timber frame recalling the land that encircles the lake. This understated solid wood mirror has beautiful detailing, from the innovative joinery and pared down form, to the carefully considered hanging mechanism which allows the mirror to rest evenly against the wall. The mirror can be hung horizontally or vertically - there is no top or bottom, allowing the user to choose their preferred orientation according to the unique wood grain on every piece. Designed by Matthew Hilton for his eponymous brand, and manufactured by De La Espada craftsmen.
