NR2 Medium

An elegant, bright, lighthearted bubble is dressed in a fine web of black or white thread that shines and glimmers in the light.

Designer	Bertjan Pot
Year of design	2015
Material	Plastic, Polyester
Additional	The fibreglass threads are finer while the shape of the lamp more elongated and symmetric, forming a harmonious bubble of glossy light.

Recommended dimmer specs

For a fluent dimming behaviour we advice a dimmer that is compatible with the following specs:

Transformer type: Electronic Low Voltage (ELV)

Load type: Capacitive load (C-Type)

Dimmer type: Trailing edge / Reverse phase

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.
