

**MATERIAL OPTIONS**

**109S MITCH LOW CABINET**

Mitch is a cabinet system made from solid hardwood and polished lacquer. The lightweight appearance of the cabinet belies the robust structure. Inspired by traditional Venetian doorbells, burnished brass is used for the door pull, for an exciting contrast of materials that nods to the designer's heritage. Designed by Luca Nichetto and manufactured by De La Espada for the Nichetto brand.

**SIZE**

W212 x D55 x H60 cm  
W83 1/2 x D21 2/3 x H23 1/3 "
