
Loop Medium

ACCESSORIES

Jakob Wagner

Description

Loop is a tray design by Jakob Wagner. The incorporated handle gives the impression of being sculpted from a single block of Corian.

Technical information

Materials:

acrylic polyester resin

Colours:

white

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
