SMALL TABLES

Antonio Citterio

Description

With Cozy, small tables, Antonio Citterio revisits the aesthetics of the classical three-legged pedestal table, converting it into an intentionally eccentric item of high design. An attractive element that merges into various interiors, it has a 60 cm high supporting frame in die-cast brass with polished finish or in metal alloy with painted black chrome or pewter painted finish. The 60 cm diameter top is available in several variants, namely in oak wood with several finishes (brushed light, grey, brushed black and smoked), in eucalyptus fris  wood with glossy surface, and in bronze back-painted glass.
