

KAY LOUNGE

JEAN-MARIE MASSAUD (2020)

DESCRIPTION

Elegant, lightweight and essential, the Kay Lounge boasts an inborn ease both on its own or in a pair, as well as an accessory in large living areas or communal spaces. A simple steel architectural structure that proposes three sophisticated finishings: hide on sharp edges, leather or pony hair. Kay Lounge is an armchair that stands out in any surroundings, from the most classic to absolute state-of-the-art.
