
Apollo

ARMCHAIRS

Antonio Citterio

Description

Linear sofa in two sizes, curved sofa, sofa with chaise longue, dormeuse and swivel armchair: these are the different elements that make up this seating collection with its distinct personality. They all have pleasantly curved but rigorous form, creating a very harmonious balanced aesthetic. The backrest design, seat depth, contoured shapes and generous padding are all elements that make Apollo extremely welcoming and comfortable. A rich selection of upholstery includes a wide range of fine fabrics and leathers. The fabric covers are further embellished with relief stitching, while the leather covers feature elegant “envelope” stitching. The structure is defined by a painted aluminium border in a range of sophisticated colours: bronzed nickel, black chrome, graphite and amber.

Technical information

Back internal frame

tubular steel and steel profiles

Seat internal frame

solid wood

Back internal frame upholstery

Bayfit® flexible cold shaped polyurethane foam, polyester fibre

Seat internal frame upholstery

shaped polyurethane of different density, polyester fibre cover

Seat cushion upholstery

shaped polyurethane of different density, sterilized down, polyester fibre cover

Lower edge

steel laminate and aluminium extrusion

Ferrules

plastic material

Cover

fabric (raised stitching) or leather (envelope stitching)

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
