# Overscale Flames

ACCESSORIES

Jean-Marie Massaud

## Description

Overscale Candles, Jean-Marie Massaud's well known collection of candles supported by a metal "cage", is joined by two large new elements, the Overscale Flames. These are not in wax but in opaque black ceramic, and have space inside for oil and a wick.

---

## Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
