4 sizes
Three largest sizes made from hoop
pine, 2000 dia under development
Construct your kitset by following
our [instructional video](#)

STORY

"Koura is the Maori name for the small
fresh water shrimps that live in our
rivers. They curl up in this shape. This
shape is mirrored again in the similar
woven traps used for catching them.
Our kitsets significantly reduce
freighting, which is one of our ways of
doing what we can to help preserve
our beautiful sea and land
environments." - David Trubridge
