Monster Barstool

'A soft, puffy and stylish chair. The monster is a symbol of the eternal battle between opposite forces that take place in life and can be easily recognized inside ourselves, if we have the courage to open our eyes. Scary? Not at all! You forget all about the monster once you sit down and enjoy the chair's comfort and softness.'

Cleaning Instructions

The chair can be cleaned with a damp cloth and with most quality multi-surface cleaners. If the chair has dust it is best to remove this before proceeding with liquid cleaners. To do this Moooi recommends using a feather duster or a soft dry cloth. Always read the label of any cleaning product you intend to use on or near any item from the Moooi collection.
