Petit Repos

Petit Repos adds a low lounge chair to the family of chairs by Antonio Citterio. Like the Grand Repos and Repos lounge chairs, it is distinguished by its high-quality materials, outstanding comfort and contemporary design. Petit Repos has an integrated flexible back connection, allowing the sitter to lean back and sink into the chair for even more comfort. The dignified club chair cuts a fine figure in public spaces as well as in the home. For both areas of use, removable covers are available in a range of different materials.

Materials

- **Chair/body:** moulded polyurethane foam with plastic frame.
- **Four-star base:** polished or powder-coated die-cast aluminium.
